

Harvest Thanksgiving 19th October 2008

Welcome to Dromore Cathedral

Welcome

We welcome all our visitors today, especially our visiting preachers and people from the town who are making a first visit to the Cathedral. If you would like to be kept informed of events happening in the Life of the Cathedral, please complete the form on the rear of this sheet, or go on line to www.dromorecathedral.co.uk where our Parish Magazine is ONLINE.

All age welcome: With so many in church it is hard to see the 'newcomers' but we hope you will be made to feel welcome by the 'regulars' who are here. "Nice to see you! And who might you be?" Go on try it! They probably know your granny or your grandchild!

Please sit where you can see one of our three large screens clearly. All the congregational parts of the service will be on screen. Hymns may use only selected verses, so check the screen.

Decorations and Preparations.

We thank the Choir, Decorators and contributors for making this day special!

Celebrate at Ten

Every week of the year (except one Sunday in April June October and December) an informal worship service using contemporary music takes place at 10.00 am in church. DCRock, the name of our Sunday Morning Youth Programme takes place around this service. It is followed by Refreshments in the Cathedral Hall.

Morning Prayer

Every Sunday an inspiring formal service takes place at 11.30 am in Church. Traditional choral music of a high standard, together with a thought provoking sermon is our aim at this service. Refreshments are served at 11.00 am before the service in the Cathedral Hall.

Parish Post

The next edition of the Parish Post, written by Stephen, Jill, Scott, Lynn, June, and *hopefully* you should be published on Friday after the team staple it together at 10.30. Distributors may collect their bundles thereafter using the usual methods. If you have a story to tell, an opinion to air or an event to announce **DO IT THROUGH THE PARISH POST**. Email or drop your articles into the office on Monday.
