Like to help with Easislides? Wednesday 6th May at 6 pm Cathedral

The team of people who write, produce and present slides for projection in the church is quite small. We would like to INTRODUCE some new people and REFRESH some regulars in the tricks and skills of making Easislides work in church. Some brief guidance on PowerPoint will also be offered. This is hands-on training and if people have a copy for Easislides on a laptop with them they will find the training particularly helpful *from* www.easislides.com Novices welcome. You will NOT be required to put your new found skills to use except you wish to do so!
