No more early nights for the children before school in the morning? Like to head for the beach early? Why not END your Sundays with the family coming together to our short summer praise service at 8.00 each Sunday during July and August? Just come as you are, enjoy some familiar songs and hymns and something to make you think, and worship! The event develops with the congregation attending so make an impact and be there as often as you can! For details see next month's magazine.
