Worship@8

October 6th at 8pm sees the start of our new season. For the next while we want to look at the reality of God in people's lives. So we will be chatting to some familiar and not so familiar people about their journey if faith, their struggles and high points and how God has revealed himself to them. We kick off with two well known faces, Trevor our Curate and Gordon our organist. Then on November 3rd we welcome Jackie Burke from Lisburn who has an amazing story of God's intervention in his life. Jackie was a junkie, hooked on heroin and alcohol, and convicted of possession and dealing drugs. Now he works as a Drugs Education worker going into schools telling young people about how God turned his life around. We would love you to join us for worship, and prayer ministry is also available at these services.
