Vision process - Visitation team

We are now at the point where our vision brochure has gone to print and we are preparing to commend this to the Parish through visitation. This visitation will take place in 2 parts, the first to deliver the brochure and the second to deal with any questions or queries anyone may have in relation to the completion of the response form.

We are seeking to identify 60 people to carry out this visitation in pairs throughout September and early October. If you are interested in being part of the team, then please add your name to the list in the porch. A training evening will take place early in September to introduce visitors to the brochure and explain the process involved.
